We live & dream amazing events!

After creating so many fantastic events since the venue opened, our team know every last corner of The National Football Museum. We know what works well but we love to try new things. We are here to advise and offer an extra helping hand.

NATIONAL FOOTBALL MUSEUM THE SUITE

The perfect mix of modern events with a love for the game

The National Football Museum is an amazing venue and you don't have to be a supporter of the game to enjoy this contemporary glass venue which is a landmark on the Manchester skyline and a hub for creative events.

The Hall of Fame – our largest space – is available for evening hire, boasting a great blank canvas in which to create stunning events.

The National Football Museum is a living, breathing daytime attraction for all to learn about the heritage and cultural platform football has become. However it's our interactive elements that our event guests always rave about. There is nothing like a penalty shoot out to get people chatting!

At the top of our 'tower' we also have The Suite; an ultra modern events space that is available throughout the day as well as in the evenings. It's incredibly popular for away days and private dining, and with a tour of the museum before your event we can offer something a little different for your guests!

“Just a quick note to say a huge thank you to you and your team! The client and his colleagues were over the moon with the venue, the food, the service and the night overall. It went as well as we had hoped and this made it a real night to remember! Well done to the NFM team and thank you for all your help and support.”

YPO, Dinner, 2014

Elegant plates, perfect petite bites and yummy grazing menus.

We have a brilliant in-house team who create all of our menus from start to finish. They have brilliant ideas based on the changing British seasons' bounty and are always keen to go the extra mile to create something truly unique.

Magic opportunities to create and taste Michelin-starred dining.

Our kitchen team have great connections! Their Creative Director is Daniel Clifford, Chef Patron of two Michelin-starred restaurant Midsummer House. He will create a bespoke menu for you or even come and cook for you on the night with his very own team.

Our amazing team of in-house wedding planners.

We have a fantastic team of in-house wedding planners who work with our couples from their very first site visit right until the day itself. They not only talk about the 'nitty gritty' of how the venue works but they help to design the wedding's look and feel too. Their little black books are vast and they always have little ideas which fit any budget.
